VOLUME 8, ISSUE 7, NO. 97 May 13, 2012 - Mothers' Day

EDITORIAL: EXEMPLARY MOTHERS

History has always recorded that mothers play an important role in the lives of their children. This places a great challenge on mothers, to be positive example for their children. In 2 Timothy 1:5, the Apostle Paul wrote to Timothy:

"I have been reminded of your sincere faith, which first lived in your grandmother Lois and in your mother Eunice and, I am persuaded, now lives in you also."

Paul basically described two exemplary mothers who lived a life of faith, which they passed on to their son and grandson—it was passed down from generation to generation.

As a mother, make every effort to strive to be exemplary—to live the kind of life that your children—and other people's children—will want to emulate. God has placed in our hands the tremendous responsibility and great privilege - of teaching and training our children for His glory! That is the great and grave trust that He has in mothers!

All mothers have the wherewithal to be exemplary—it requires first being committed to Christ and totally relying on Him as the greatest exemplar so that mothers will be exemplary in their speech and conduct.

Happy Mothers' Day and may God's richest blessings always be yours!

Thought: The heart of a mother is a deep abyss at the bottom of which you will always find forgiveness.

*Inspirational Quotes on Mothers Day by:
~ Honore de Balzac, author*

Motherhood

Motherhood is a tough 24 hour job -
No pay; no day off;
Sometimes it is unappreciated,
But yet resignation is impossible.

A mother is the truest friend we have,
When trials heavy and sudden, fall upon us;
When adversity takes the place of prosperity;
When friends who rejoice with us in our sunshine desert us;
When trouble thickens around us,
Still will she cling to us, and endeavour by her kind precepts and counsels to dissipate the clouds of darkness, and cause peace to return to our hearts.

A mother is a woman who is created by God
To bring love, joy, happiness and caring into this world.
I am so glad God has created a woman to be a mother,
Motherhood is a full time job; a mother's work is never done.

Happy Mother's Day to all mothers..... spiritual and biological.
I am so glad to call you my mother, you make me who I am today.
